

Page Turners Club

**The winter session will be announced
in the Library's winter newsletter available December 1.
The summer session will be announced
in the Library's summer newsletter available June 1.**

The Page Turners Club is a reading club to encourage high school students and adult patrons to read more. While Page Turners read throughout the year, members who register for the summer and winter sessions of the Club have an opportunity to qualify for grand prize drawings. The end of each session is highlighted with a special party featuring live entertainment and refreshments.

As a Page Turner, you are free to read or listen to whatever books you like, but you can also sign up to receive occasional emails alerting you to new novels, biographies, and non-fiction, as well as other popular and noteworthy books. Just send an email to **WPLPageTurners@yahoo.com** and ask to be put on the email list. (You can request to be on the email list even if you don't join the club.)
